Fall in premium collection of LIC

*113. SHRI DINA NATH MISHRA : Will the Minister. .1 FINANCE be pleased to state:

(a) whether it is a fact that market share of LIC of India, in terms of new business premium has dropped 3 percentage point duing the year 2002-2003;

(b) if so, the reasons therefor; and

(c) what steps LIC has taken to meet the competition squarely and increase its market share *vis-a-vis* its competitors?

THE MINISTER OF FINANCE (SHRI JASWANT SINGH): (a) and (b) The market share of Life Insurance Corporation of India in terms of new business premium for the year 2001-02 and 2002-03 has been 98.04% and 92.16%, respectively. With the opening of insurance sector and entry of more private players it was expected that the market share of LIC would come down from 100%.

(c)LIC have taken steps to meet the competition by strengthening their marketing wing, designing innovative new products, tapping business potential in every segment including sale of high value policies, increasing productivity of agents and Development Officer and aggressive marketing initiatives to project their products and services.
